FRIENDS OF HELP2HELP TOUR PROGRAM
MARCH 2020

Dear Friends,

Firstly, thank you for your interest in joining our team of help2help volunteers for our 2020 'Friends of help2help' Charity Tour which will take place in Cambodia from 27th March 2020 (7 nights).

The tour will commence in the capital of Cambodia – Phnom Penh and finish in the country's second city – Siem Reap. There is opportunity to extend the trip following the official tour finish.

The purpose of this tour is to raise awareness of help2help's work in Cambodia and help us to build our network of help2help Ambassadors, who can assist those in need in rural areas in Cambodia.

The help2help education facility in the village of Krabie Real caters for 73 villages within the District of Chikreng, which includes: primary school, high school, help2help headquarters, charity volunteer accommodation, crop production, and other industry projects.

We look forward to hearing from you soon. Further details of the tour are detailed below. To stay up to date LIKE us on Facebook.

Kind regards,

Aron Power
Director

We have deliberately not bundled flights costs into a package as a group rate does not compare to the discounted fares offered by various airlines throughout the year. A number of sites are detailed that regularly offer discounted prices although our experience is that Air Asia is usually the most reasonable and direct. Flights to Phnom Penh using Air Asia will have a stop-over at Kuala Lumpur airport for a number of hours. Should you have a long stopover in Kuala Lumpur, you can choose to clear customs and explore the city, or alternatively they have a hotel within the airport that you can book if you'd like a rest before the next flight.
